

ALPHA SEAL

The Alpha Seal is a high-quality, variable-length plastic security seal designed for a wide range of industrial and logistical applications. Engineered for strength, tamper-evidence, and user convenience, it features a robust stainless steel locking mechanism encased in a transparent cap—providing immediate visual evidence of tampering at the jaw.

Constructed with a smooth and flexible polypropylene (PP) strap, the Alpha Seal ensures easy handling and secure tightening. The seal is suitable for securing postal bags, cash bags, oil tankers, and chemical drums, delivering reliability across diverse environments.
