

OPTISEAL

OPTISEAL is a quick and convenient security seal specially designed for use with the Wesglow Card Vault. It offers a practical solution for applications requiring fast access control without compromising security.

Engineered for ease of use, OPTISEAL can be applied quickly and removed without the need for cutting tools, making it ideal for operations that require frequent access while maintaining tamper evidence. Its reliable design ensures secure sealing with efficient handling in high-usage environments.

Material

- ◆ Acrylonitrile Butadiene Styrene (ABS)

Printing & Marking

- ◆ Laser
- ◆ Name / Logo
- ◆ Sequential Numbering
- ◆ Barcode

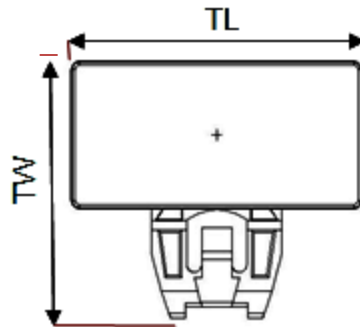

Applications

- ◆ Gaming
- ◆ Retail
- ◆ Banking
