

POLVAL

POLVAL SEAL is a customized single molded pull tight security seal designed with a cap-on locking mechanism specifically for LPG valve applications. The seal is made from flexible material, allowing easy installation and secure locking onto the valve.

Designed for the oil and gas industry, POLVAL SEAL provides reliable tamper evidence and secure sealing for LPG cylinders and related applications. Its single molded construction ensures durability, while the cap-on locking system provides consistent and dependable sealing performance.

Material

- ◆ Polypropylene (PP)

Printing & Marking

- ◆ Laser
- ◆ Name / Logo
- ◆ Sequential Numbering
- ◆ Barcode

Applications

- ◆ Oil & Gas Valve

Properties

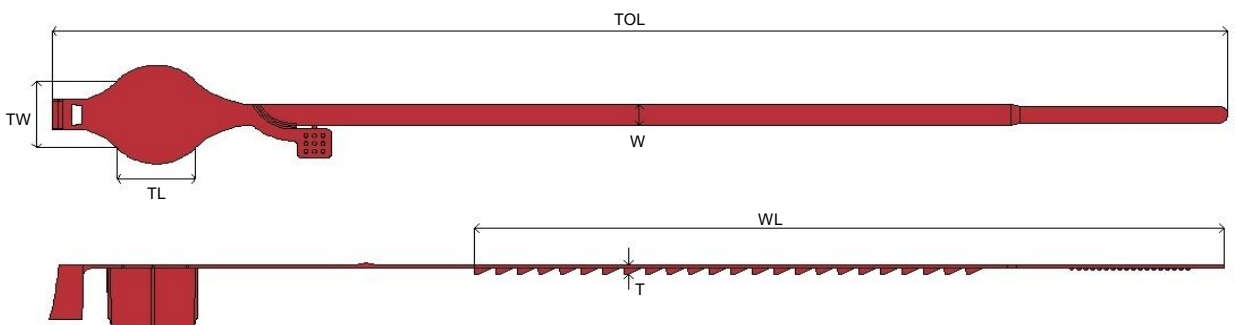

- ◆ Average Breaking Strength : 22.5 kgf

Colour

Biodegradable
Product can be produced in Biodegradable material, contact us for more information.

Product Code	Dimension						Packaging			
	Total Length TOL (mm)	Working Length WL (mm)	Strap Thickness T (mm)	Strap Width W (mm)	Tag Length TL (mm)	Tag Width TW (mm)	Quantity per mat (pieces)	Quantity per box (pieces)	Weight per box (kg)	Box Dimension L x W x H (mm)
POL02	275	270	2.3	5.3	18	16	5	2,000	7.9	388 x 380 x 430

POLVAL 03

POLVAL 03 is a customized single molded pull tight seal featuring a cap on locking mechanism, specially designed for LPG valve applications. Made from flexible polypropylene, the seal allows for easy installation and secure locking, ensuring reliable sealing performance.

This seal is widely used in the oil and gas industry for valve protection and tamper evidence, helping to prevent unauthorized access and ensuring product safety during storage and transportation.

POLVAL 03 SP

POLVAL 03 SP is a customized single molded fixed length security seal featuring a cap on locking mechanism, specially designed for LPG valve applications. It is engineered with a stopper feature that helps prevent tampering and enhances overall security.

Made from flexible polypropylene, the seal allows for easy installation and secure locking, ensuring reliable performance in demanding environments. POLVAL 03 SP is widely used in the oil and gas industry for effective valve protection and tamper evidence.
