

PYLON SEAL

PYLON SEAL is a variable length tightening security seal made from high quality plastic material, designed for reliable sealing across a wide range of applications. It features an engineered plastic jaw as the locking mechanism, providing enhanced strength and resistance to weather conditions.

With its secure and durable design, PYLON SEAL ensures effective tamper evidence while remaining lightweight and easy to use. It is suitable for various transport, logistics, and packaging applications where dependable sealing is required.

Material

- ◆ Polypropylene (PP)
- ◆ Jaw – POM

Colour

Printing & Marking

- ◆ Laser
- ◆ Name / Logo
- ◆ Sequential Numbering
- ◆ Barcode

Applications

- ◆ Postal Bags
- ◆ Cash Bags
- ◆ Courier Bags
- ◆ In-Land Transportation

Properties

- ◆ Average Breaking Strength : 18 kgf

Biodegradable

Product can be produced in Biodegradable material, contact us for more information.
